

SOCIETY OF FLIGHT TEST ENGINEERS EUROPEAN CHAPTER

CREATION OF THE "JESUALDO MARTINEZ" AWARD

TO RECOGNIZE VALUES AND ACHIEVEMENTS IN FLIGHT TESTING

To commemorate our colleague and board member Jesualdo Martinez Rodenas, tragically deceased in the Accident of A400M MSN 23, in Seville in May 2015.

The board of the European Chapter has decided to create the JM award, with the following rules and terms of reference.

1. Name, Title:

This award has the name of "SFTE-EC Jesualdo Martinez Award in Flight Testing". It could be referenced as JM Award as short denomination.

2. Purpose

This award is devoted to reward special dedication and remarkable accomplishment or inspirational work in the area of Flight Testing.

3. Scope

The award is addressed to people and organization under the scope of the SFTE European Chapter.

4. Periodicity

The award will be delivered every two years, and it should be delivered to the winner in the correspondent European chapter symposium. If for any reason this is not possible the board will arrange an alternative mean for the delivery.

5. Reward

A specific "trophy" will be designed and approved by the board. A copy of the trophy will be delivered to the winner. There will be no money reward, and it will be only one winner per edition.

6. Decision process

Till before three months of the celebration of the correspondent European symposium, every SFTE member could send proposals of candidates to the secretary of the board.

With all the proposals the Board will decide the winner. The winner will be announced in the web page.
